# KABUL UNIVERSITY OF MEDICAL SCIENCES ABU ALI IBN SINA ACADEMIC VICE CHANCELLERY

## THE WAY TOWARDS STANDARDIZATION AND ACHIEVEMENT OF GOALS

## KABUL UNIVERSITY OF MEDICAL SCIENCES ABU ALI IBN SINA ACADEMIC VICE CHANCELLERY Internal QUALITY ENHANCEMENT UNIT

### *Introduction*

Quality Enhancement in the university sector ensures that academic processes are of an internationally respected standard.

The quality assurance processes use evidence to check that goals are being achieved and that policies and practices are under ongoing review as part of an overall quality enhancement procedure. Certainly quality assurance compare outputs with standards and identify the weak points, it is a process of improving quality.

Partners in Academic Learning (PAL) aims to significantly strengthen academic and research links between higher education institutions (HEIs) in Afghanistan based of MoHe strategic plan.

### *Brief History*

Center of excellence quality assurance (CEQA) was established in KUMS Abu ali Ibn Sina in the mid of 2011 under the ministry higher educations law. The main committee of this center which is under leadership of academic affairs of KUMS Abu ali Ibn Sina has 20 members that their plans

and policies are implemented through 9 subcommittees in different institutions i.e. Curative medicine, Dentistry, Nursing, Public health and Allied health, midwifery, including 6 teaching hospitals individually.

The members of committees in CEQA are selected from KUMS faculties according to academic rank, degree and work experience.

### *Mission*

- ◆ To support and enhance the quality assurance procedure.
- ◆ To assist and evaluate assurance procedure.
- ◆ To give information and knowledge according to quality assurance policies.
- ◆ To collect data and evidence related to quality assurance.
- ◆ To have access to up to date achievements of quality assurance in international level.

### *Achievements*

- ◆ Quality Enhancement Unit Warded to CEQA Title 2017 and accreted after 3rd assessment period in 2018 for next 5 academic years. Quality Enhancement Unit from establishment up to now achieved positive outcomes in the field of academic activities and managements of departments by conducting workshops, training seminars and assessments.
- ◆ Quality Enhancement Unit has positive outcomes in improving education quality by providing opportunities for lecturers to prepare Self As-
